

# FOUND DOG: Needs a Home

## AN ADORABLE PUPPY WHO NEEDS A HOME.

**This sweet girl was found frantically running around the streets of Nob Hill on Monday, January 5th. She was first spotted at Leavenworth and California, and when we tracked her down she did not have any identification.**

**We immediately searched the streets and kept her in the neighborhood for the last week—but we have not been able to find her family! Ads have been placed on craigslist and local FB pages and blogs as well.**

**Unfortunately She (“Sully”) will have to be turned over to ACC at weeks end (Fri . January 16th) unless we can find a new home for her.**

**If you have a space for her in your home, please visit and message:**

Sully is extremely sweet and full of puppy energy. She gets along great with EVERYONE (including my shih tsu)!

She has some training and is a good listener, but most importantly she is full of love!
